Fourth Page.—The Methodist Episcopal Church South; Excitement in Kansas; Miscopher Church South; Excitement in Kansas; Miscopher Cellantons.

Certaings were less and approximately and approximately and personal explanation. Mr. Pryor, of Virginia, obtained the floor for the purpose of making a personal explanation. He understood that his remarks in reply to the question put to him. by the bonocrable gentleman News; Latte from Kansas; Steamboat Disaster; Letter of the President of the Union? had been misconderstood. He wished to say that Virginia would not put her honor commission or speak by proxy in this regard; but that when the State of Alabama should say by the fairly expressed will of her cellantons.

The Convention being called to order at 4 o'clock, Mr. H. took the fisor and continued the speech he had commenced in the morning, which having been finished.

Hon. Percy Walker, of Mobile, offered two reselutions relating to commercial matters, which were referred to the Committee on Business.

The same gentleman then moved to make the report of Mr. Spratt, of S. C., which motion was carried.

Alderman of the First Ward.

Mr. Pryor moved to indefinitely postpone the whole subject.

the law.

In regard to the Banks in Memphia, we start

In regard to the Banks in Memphia, we start

With the assertion that a large majority of them, and far from being of any benefit to the community, are in fact great nuisances, and we await

with impatience the little time to elapse before they will be abated, as all other nuisances are, by the judgment of the law. In the first place, but few of them have any capital on which to hank; these are necessarily abaving shops, one-horse tracker's reflection. These that have empired as the respect of existing in the trade—and in 1820 an act was passed declaring it to be probablitory laws, or otherwise.

Can Slave Trade, either by the repeal of existing place, and the regaging in the trade—and in 1820 an act was passed declaring it to be probablitory laws, or otherwise.

Can Slave Trade, either by the repeal of existing place, and the regaging in the trade—and in 1820 an act was passed declaring it to be our vessels from ergaging in the trade—and in 1820 an act was passed declaring it to be of the five place, of gratitude to the Convention for the honor which had been done him, by allowing him to have the floor this morning, to present his southern labor, by the usual laws which govern trade in all other species of property, and will assert the server and will have the floor this morning, to present his southern labor, by the usual laws which govern trade in all other species of property, and will be abated, as all other nuisances are, by the judgment of the law. In the first place, but the convention to pause before they alded found the members of the Convention to pause before they alded found the members of the convention to the southern labor, in addition to the sound the prices of Southern labor, in addition to the sound the prices of Southern labor, in addition to the sound the prices of Southern labor, in addition to the sound the prices of the laws which had already because of the laws was passed declaring it to be form the field. The weather was warm and su

He agreed with Mr. Yancey that there-opening of the Slave Trade was impracticable, and being servent and sent for Mr. McQueen, lodged at the same house. Mr. McQueen came, and found for the heart. He requested Mr. Evans sitting in a chair, complaining of a present of the heart. He requested Mr. What was the utility of declaring that the laws prohibiting the African Slave Trade ought to be repealed, and in the same there, which had no effect. A physician was sent for, who attempted to bleed binn, by the declaring it to be impracticable. The sent for working age. The ventriloquial display is a great addition to the catalogue of the Slave Trade was impracticable, and being so the distinct the harmony of its convention to distract the harm sent for, who attempted to bleed him, but did gentleman from Alabama would and a lion in his path whenever he attempted to press, his resolution on the attention of the Government. He peacefully and almost imperceptibly. His last words were to Mrs. McQuers, who was last words were to Mrs. McQuers, who was been most has been most has been most has been most has been manifested, and God has blessed the efforts which have been made. Rev. T. J. Franka, of Kentucky, has been preaching for two weeks to the contact this question. I hope all will do so explicitly, bas been preaching for two weeks to the contact this question. I hope all will do so explicitly, and the first Baptist Church with
